Ticket Ordering Information

Motor City Comic Con is pleased to offer online ordering and email ticket delivery.

Once you've made your purchase, you will receive a confirmation email with a bar coded ticket that you will need to print and bring with you to the convention to be scanned. You will receive a scanned bar code ticket for each ticket ordered. For Example: If you order three tickets your printer will automatically print off three bar coded tickets. Please bring all of these with you to the show with a picture ID. You can either print your ticket from the order confirmation screen or from your email confirmation received after you order.

Please remember to keep your bar coded ticket in a safe place. Once an order is scanned it cannot be used again.

Bring your pre-printed bar coded ticket/s to the Advance Ticket booth in front of Hall B at the Suburban Collection Showplace to be scanned and exchanged for your wristbands. **Advance ticket booth dates and times are below:**
